

# Fruity Flavour At Juice Bar Thanks To Altro Wall Cladding

## Altro Digi-clad

Boost Juice Bars across the country have received the Altro makeover, with Altro Digi-clad wall displays throughout their stores.

Boost Juice Bars who has bars in Manchester, Nottingham, Thurrock and Oxford, had the uniquely designed, retro Digi-clad walls fitted to add a fresh and funky feel to the stores.

Digiclad is a unique, hygienic wall fixture or partition that is simple, yet cost effective. Altro's unique system provides an aesthetically pleasing, easy to clean wall or partition that can be tailored to individuals needs. Available in a range of colours or with uniquely designed prints it is ideal for restaurants, shops and work places.

Altro offers a full range of flooring solutions suitable for both outdoor and indoor surfaces, as well as non-slip safety flooring for workplaces, shops, sports facilities and even swimming pools.

*"We have used a range of Altro products on the latest Boost Juice Bars and have found them to be excellent by way of both quality and simple application.*

*"The graphic's in particular are certainly 'best in class' and help us set the standard for how quality retail operations should look. We are pleased to be the first company to use them within our sector.*

Richard O'Sullivan, Managing Director of Boost Juice bars Ltd

*"We found the product really easy to work with. Being able to choose what print went on the wall meant it was easily tailored to the project".* Jo Rutter, from installers Specific Shopfitting
